Mike: See confirmation below. We believe that it may be best for Judah to send Frankel a demand for the windows with a statement that Westchester has fully paid them, the back charged funds have been deposited in the Duane escrow, where are the windows. Frankel would have to respond for the record and we will have a solid repudiation to the party with the "irreparable harm" (HPS/Monad).

What I thought was an actual repudiation from Art was in fact an email from Geo B recounting a conversation with Art. He said that they don't intend to ship unless you pay ACE and support the back charges. We are going to pay GW tomorrow. That will join the issue. I don't think the actual repudiation will be far behind.
